# GMA suspends all logging

**Illegal loggers likened to terrorists**

By John Luning, Jr., Manila  
Special to Inquirer

**MANILA**—(Special) GMA has suspended all logging activities in its vast logging concessions in the Cordillera region, likening illegal loggers to terrorists. The company, which has been operating in the region since 1980, said it was forced to take this drastic action because of the increasing violence against its workers and equipment. "We are not just a logging company; we are a community," said a GMA representative. "We have to protect our people and our investments."
